

# Neuromonitoring UK

Promoting excellence in neurological monitoring through the sharing of knowledge and best practice

NMUK are delighted to announce their next major meeting for intra-operative neuromonitoring professionals

## NEUROMONITORING UK SCIENTIFIC MEETING IN CONJUNCTION WITH 43<sup>RD</sup> BRITISH SCOLIOSIS SOCIETY ANNUAL CONFERENCE

Venue : City Hall, Cardiff, Wales  
Date : Thurs 21<sup>st</sup> Nov and Fri 22<sup>nd</sup> Nov 2019

**Final programme to be finalised with joint BSS/NM UK sessions and individual NM UK only sessions.  
Speakers to include surgical and neurophysiological colleagues delivering teaching and case presentations.**

### KEY NOTE SPEAKER

Professor Andrea Szelenyi of Intraoperative and Clinical Neurophysiology and Neurologist, Neurosurgical Department, University Hospital at Heinrich-Heine University, Medical Faculty, Duesseldorf, Germany. She has specialized in Intraoperative Neurophysiology and has been practicing since 1997. She performed a fellowship in Intraoperative Neurophysiology with Prof. V. Deletis at the Beth Israel Medical Center, New York, USA and has established units for Intraoperative and Clinical Neurophysiology at the Neurosurgical Departments of the University Clinic in Leipzig and the University Hospital of the Wolfgang Goethe University, Frankfurt am Main, Germany and lately at University Clinic in Duesseldorf since 2012.

Her primary research areas are on motor system using systematic clinical studies of Motor Evoked Potentials (MEPs) for intra-operative neuromonitoring focusing on application of MEPs in vascular neurosurgery and the effect of stimulation parameters in tumour surgery. Her work has earned her the 1st Excellence in Research Award of the ASNM in May 2007. She has organized national educational courses and participates in international training courses, past president of ISIN, and she has published more than 40 scientific articles listed in MEDLINE, articles and book chapters.

**Call for papers:** Please contact [helen.grover@nnuh.nhs.uk](mailto:helen.grover@nnuh.nhs.uk) if you wish to present at the NMUK meeting or you represent a company wishing to have a stand at the venue.

You may also submit an application to present at the BSS meeting –details and deadlines will be made available the BSS website <http://www.britscoliosissoc.org.uk/events/bss-annual-meeting>. Please notify NMUK know if you do this and we will endeavour to make this a joint session.

Registration for NMUK event will be via the BSS site and organised by Archer Yates
